For best results, we recommend printing all items on cardstock.

CHEER-O-METER

CHRISTMAS TIME IS DRAWING NEAR!
SO, ITS TIME TO SPREAD CHRISTMAS CHEER!

HOW GOOD HAVE YOU BEEN THIS YEAR?

THE NICER YOU ARE, THE MORE PRESENTS SANTA WILL BRING!

EXTRA NICE

SANTA KNOWS YOU'VE BEEN KIND,
HE WILL BRING YOU EVERYTHING ON YOUR MIND!

NICE

YOU HAVE BEEN GOOD THIS YEAR,
SANTA'S SURE TO BRING CHRISTMAS CHEER!

DANGER ZONE

HE'S MAKING HIS LIST AND CHECKING IT TWICE,
HE KNOWS IF YOU'VE BEEN NAUGHTY OR NICE!

NAUGHTY

START ON A GOOD ROLL OR YOU'LL GET COAL!

How it Works:

Each night when the kids are asleep, "Elf" visits the chart and clips each little one's candy cane up or down the chart, depending on their behavior that day. The nicer they are, the more gifts they will get this Christmas! This fun and interactive "clip chart" meter is the perfect way to keep your little ones on the track to a Merry Christmas. The Cheer-O-Meter can be hung wherever you please.

Materials

- Printer
- Marker
- Tape
- Ribbon or String
- Paper (we recommend heavy cardstock)
- Clothpins or similar clips
- Scissors
- Hole Punch

Step 1

Gather your materials and print everything you need on a nice heavy cardstock, then cut the candy canes and write your little ones name on them.

Step 2

Stick the candy canes to clothes pins using tape.

Step 3

Cut out the Cheer-O-Meter sign. Punch a hole in each corner and add a festive ribbon. (Tip: you can also mount your Cheer-O-Meter on colored paper to make it extra sturdy)

Step 4

When the kids are sleeping, tape your Cheer-O-Meter to your favorite spot with Elf nearby. If your little ones aren't familiar with a clip chart, you can even write a note to them from Elf, on how it works.

(Tip: Hang your cheer-o-meter in a high traffic area where the kids walk by, to help remind them to be good!)
